**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY
AND DISCLAIMERS REGARDING DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Hostess Brands, Inc. (Case No. 12-22052 (RDD)) ("Hostess Brands" or the "Company") and its five domestic direct and indirect subsidiaries (together with Hostess Brands, the "Debtors") submit their Schedules of Assets and Liabilities (the "Schedules") and Statements of Financial Affairs (the "Statements" and, together with the Schedules, the "Schedules and Statements") pursuant to section 521 of the Bankruptcy Code (as defined below) and Rule 1007 of the Federal Rules of Bankruptcy Procedure.

On January 11, 2012 (the "Petition Date"), the Debtors commenced their reorganization cases by filing voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") with the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"). The Debtors' chapter 11 cases have been consolidated for procedural purposes only and are being administered jointly under case number 12-22052 (RDD). The Debtors are authorized to operate their businesses as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

The Schedules and Statements were prepared by the Debtors' management and are unaudited. While those members of management responsible for the preparation of the Schedules and Statements have made a reasonable effort to ensure that the Schedules and Statements are accurate and complete based on information known to them at the time of preparation after reasonable inquiries, inadvertent errors or omissions may exist and/or the subsequent receipt of information may result in material changes in financial and other data contained in the Schedules and Statements. Accordingly, the Debtors reserve their right to amend and/or supplement their Schedules and Statements from time to time as may be necessary or appropriate and they will do so as information becomes available.

¹ The Debtors are the following six entities (the last four digits of their respective taxpayer identification numbers follow in parentheses): Hostess Brands, Inc. (0322), IBC Sales Corporation (3634), IBC Services, LLC (3639), IBC Trucking, LLC (8328), Interstate Brands Corporation (6705) and MCF Legacy, Inc. (0599).

These Global Notes and Statement of Limitations, Methodology and Disclaimers Regarding Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

In the event that the Schedules and Statements differ from the Global Notes, the Global Notes shall control.

General Notes

Reservation of Rights. The Debtors reserve the right to dispute, or to assert setoff or other defenses to, any claim reflected in the Schedules and Statements as to amount, liability and classification. The Debtors also reserve all rights with respect to the values, amounts and characterizations of the assets and liabilities listed in their Schedules and Statements.

Basis of Presentation. The Schedules and Statements reflect the separate assets and liabilities of each individual Debtor. For financial reporting purposes, Hostess Brands historically has prepared consolidated financial statements, which included financial information for all of its subsidiaries and which in the past have been audited annually. Unlike the consolidated financial information used for the Company's financial reporting purposes, the Schedules and Statements reflect the assets and liabilities of each individual Debtor based on such Debtor's non-audited book and tax records. In separating out information among Debtors, the Debtors were required to make certain assumptions about the ownership of assets and responsibility for liabilities of certain Debtors because specific documentation identifying the particular Debtor that owned an asset or was responsible for a liability was not readily available in every instance. Hostess Brands does not, other than annually on an unaudited, non-GAAP (defined below) basis for tax return compliance purposes, prepare individual financial statements for its subsidiaries and the Debtors do not maintain full, separate, stand-alone accounting records for each Debtor in their general ledger. Therefore, audited financial statements and supporting schedules have not been prepared for each Debtor. These Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles ("GAAP"), nor are they intended to reconcile to the financial statements previously distributed to lenders, major creditors or various equity holders on an intermittent basis. It should also be noted that the Debtors use a consolidated cash management system through which the Debtors pay substantially all liabilities and expenses.

The Schedules and Statements have been signed by John Stewart, Executive Vice President and Chief Financial Officer of Hostess Brands, IBC Sales Corporation and Interstate Brands Corporation, Vice-President Finance of IBC Trucking, LLC and IBC Services, LLC and Chief Financial Officer of MCF Legacy, Inc. In reviewing and signing the Schedules and Statements, Mr. Stewart has necessarily relied upon the efforts, statements and representations of the accounting and non-accounting personnel located at the Debtors' offices who report to Mr. Stewart, either directly or indirectly. Mr. Stewart has not, and could not have, personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

Date of Valuations. Except as otherwise noted in the Schedules and Statements, all liabilities are valued as of the Petition Date and all assets as of January 7, 2012. The Schedules and Statements reflect the Debtors' best effort to allocate the assets, liabilities, receipts and expenses to the appropriate Debtor entity "as of" such dates. All values are stated in United States currency. In some instances, the Debtors have used estimates or pro-rated amounts where actual data as of the aforementioned dates was not available. The Debtors have made a reasonable effort to allocate liabilities between the pre- and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the Debtors may modify the allocation of liabilities between the pre- and postpetition periods and amend the Schedules and Statements accordingly.

Book Value. Except as otherwise noted, each asset and liability of each Debtor is shown on the basis of net book value of the asset or liability in accordance with such Debtor's accounting and/or tax books and records as of (i) January 7, 2012 for asset values and (ii) the Petition Date for liability values. Therefore, unless otherwise noted, the Schedules are not based upon any estimate of the current market values of the Debtors' assets and liabilities, which may not correspond to book values. It would be cost prohibitive and unduly burdensome to obtain current market valuations of the Debtors' property interests.

Except as otherwise noted, the Debtors' assets are presented, in detail, as they appear on the Debtors' accounting sub-ledgers. As such, the detail includes error corrections and value adjustments (shown as negative values or multiple line items for an individual asset ID). The Debtors believe that certain of their assets, including (i) intangibles with indefinite life (principally trademarks and tradenames), which currently account for approximately \$134 million of the aggregate value of the Debtors' assets and (ii) certain owned property may have been significantly impaired by, among other things, the events leading to, and the commencement of, the Debtors' chapter 11 cases. The Debtors have not yet formally evaluated the appropriateness of the carrying values ascribed to their assets prior to the Petition Date, but expect that they will need to re-evaluate such values during their chapter 11 cases and take appropriate impairment charges, in accordance with GAAP, to accurately reflect the carrying values.

Property and Equipment – Owned. Owned property and equipment are recorded at cost. Depreciation and amortization are calculated based on common depreciation methods and depreciable periods ranging from 3 to 35 years. Although accelerated depreciation methods may be used for tax reporting purposes, the Schedules and Statements reflect straight-line methods.

Causes of Action. The Debtors have made their best efforts to set forth known causes of action against third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to causes of action they may have, whether disclosed or not disclosed, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

Litigation. Certain litigation actions (the "Litigation Actions") reflected as claims against a particular Debtor may relate to any of the other Debtors. The Debtors have made reasonable efforts to accurately record the Litigation Actions in the Schedules and Statements of the Debtor that is the party to the Litigation Action. The inclusion of any Litigation Action in these

Schedules and Statements does not constitute an admission by the Debtors of liability, the validity of any Litigation Action or the amount of any potential claim that may result from any claims with respect to any Litigation Action and the amount and treatment of any potential claim resulting from any Litigation Action currently pending or that may arise in the future.

Expenses Related to Customer and Employee Goodwill. In the ordinary course of their businesses, certain of the Debtors purchase tickets to various events, including, among other things, sporting events, which are used to promote customer and employee goodwill. The Debtors do not believe such items have any material value in the context of these cases. The purchases are generally made at the local business unit level and the Debtors have not attempted to segregate these expenses from other miscellaneous expenses, and they are therefore not listed in their Schedules and Statements. Moreover, the Debtors have not listed any leasehold interests or licenses relating to such tickets in their Schedules and Statements.

Application of Vendor Credits. In the ordinary course of their businesses, the Debtors apply credits against amounts otherwise due to vendors. These credits arise because, among other matters, (i) materials ordered and paid for may not be delivered, (ii) materials delivered may be damaged or unusable and (iii) vendors provide volume rebates and cash discounts. Certain of these credits are subject to change. Vendor claims are listed at the amounts entered on the Debtors' books and records, which may or may not reflect credits or allowances due from such creditors to the Debtors. The Debtors reserve all of their rights respecting such credits and allowances.

Application of Customer Credits. In the ordinary course of their business, the Debtors maintain a number of customer programs including (i) the repurchase of dated and damaged products, (ii) merchandising agreements, (iii) sales adjustments and (iv) coupon collection and payment. Therefore, the Debtors apply credits due pursuant to such programs against amounts due by customers, and the amounts reported on the Schedules and Statements are net of such customer credits.

Claims. Certain of the Debtors' Schedules list creditors and set forth the Debtors' estimate of the claims of creditors as of the Petition Date. The claim amounts reflected on the Schedules may include the Debtors' estimates for vendor charges not yet invoiced. By estimating certain invoices, the Debtors are not representing that they have sought to identify and estimate all un-invoiced vendor charges. To the extent that a claim of a particular vendor is an aggregate of multiple invoices, the Debtors have reflected the claim with a date of "various."

The Debtors intentionally have not included "non-cash" accruals, *i.e.* accruals to recognize expense or liability over multiple periods where no specific obligation to perform is established, such as accruals to equalize lease payments, in the Schedules and Statements.

The Bankruptcy Court has authorized the Debtors, among other matters, to (i) continue certain customer practices, (ii) pay prepetition wages, salaries, employee benefits and other related obligations, (iii) pay certain priority claims in the ordinary course of business, (iv) pay certain prepetition sales, use and other taxes, (v) make certain utility payments, (vi) pay certain prepetition shipping charges and related possessory liens, (vii) pay certain lienholders and (viii) pay certain claims under the Perishable Agricultural Commodities Act of 1930, as amended,

7 U.S.C. §§ 499a *et seq.* While the Debtors have made their best efforts to reflect the claims, by vendor, net of these various adjustments as well as "vendor credits" discussed above, the actual unpaid claims of creditors that may be allowed in these cases may differ from the amounts set forth in the Schedules and Statements. Moreover, the Debtors have not attempted to reflect any alleged recoupments in the claims of utility companies or other parties holding prepetition deposits that may assert (or have asserted) a recoupment right.

Any failure to designate a claim listed on a Debtor's Schedule as "disputed," "contingent," "or" "unliquidated" does not constitute an admission by the Debtors that the claim is not "disputed," "contingent," or "unliquidated." The Debtors reserve the right to (i) object to or otherwise dispute or assert setoff rights, cross-claims, counterclaims or defenses to, any claim reflected on the Schedules as to amount, liability or classification or (ii) otherwise to designate subsequently any claim as "disputed," "contingent" or "unliquidated."

Employee Claims. The Bankruptcy Court entered an order granting authority to, but not requiring, the Debtors to pay prepetition employee wages, salaries, benefits and other related obligations. The Debtors currently expect that most prepetition employee claims for wages, salaries, benefits and other related obligations either have been paid or will be paid in the ordinary course of business and therefore, the Schedules and Statements do not include such claims. Furthermore, the Debtors have included certain liquidated and unliquidated pension obligations in their Schedules E and F (not including unliquidated penalties and interest). Notwithstanding the foregoing, the Debtors reserve their rights to (i) evaluate whether to modify or terminate any employee plan or program and (ii) modify or terminate, with respect to discretionary obligations, or seek to modify or terminate any such plans or programs. In the event that any employee plans or programs are modified or terminated, or sought to be modified or terminated, affected employees would receive by mail notice thereof, thereby allowing any such affected party to assert claims against the Debtors arising therefrom.

Addresses of Employees. The Debtors have listed each of their employees' addresses as the Debtors' corporate address to protect the privacy of the Debtors' employees. The Debtors have served and will continue to serve all necessary notices, including notice of the claims bar date, to the actual address of each of the Debtors' employees.

Intercompany Payables/Receivables. As mentioned above, the Debtors do not maintain stand-alone financials for each legal entity except for tax return compliance purposes. For purposes of these Schedules and Statements, the Debtors have reported intercompany payables and receivables on Schedules B-16 and F as a net balance payable or receivable between the various Debtors.

Schedules

Schedule A – Real Property: In the ordinary course of their businesses, the Debtors lease certain real property from third-party lessors. The improvements to these real property leases are reflected in Schedule A due to the long-term, capitalized nature of the underlying leases.

Schedule B – Personal Property

Item 9 – Interests in Insurance Policies. The Company maintains certain insurance policies essential to its continued operations, including, but not limited to, property, casualty, motor vehicle and general liability, and director and officer insurance policies. While the Company does have substantial self-insurance liabilities, the Company believes that these liabilities were fully collateralized as of the Petition Date. The terms of the policies are similar to insurance policies typically maintained by corporate entities that are similar in size and nature to the Company. The Company's insurance policies generally are structured to provide coverage for all of its direct and indirect subsidiaries and affiliates.

Item 13 – Stock and Interests in Incorporated and Unincorporated Businesses. Each Debtor's Schedule B includes its ownership interests, if any, in subsidiaries and partnerships. In general, the value of such stock is dependent upon the calculated value of the underlying subsidiaries' equity and profits and losses over time. Since (i) investment in subsidiaries and intercompany balances are not maintained on a subsidiary-by-subsidiary basis in Hostess Brands' general ledger and (ii) the Debtors did not undertake a historical analysis to assign values to the subsidiary stock, the value of the subsidiary stock is listed as "unknown."

Item 16 – Accounts Receivable. Because the detailed trade accounts receivable are reflective of the Debtors' proprietary customer lists, trade accounts receivable are reported in the aggregate only. Furthermore, the accounts receivable are reported net of purchase discounts earned by certain customers. The Debtors reserve all of their rights with respect to such credits and allowances.

Item 18 – Other Liquidated Debts Owed to Debtor Including Tax Refunds. This item includes the Debtors' outstanding bankruptcy claims against other companies. While claim amounts have been calculated, and proofs of claim filed, in the respective proceedings, due to the uncertainty of collection, these items are not included in the Debtors' asset ledger as of the Petition Date. Therefore, these items are reflected with values "to be determined" on the Schedules.

Item 22 – Patents, Copyrights, and Other Intellectual Property. The Debtors have made their best efforts to identify and list all patents, copyrights and other intellectual property. The Schedules provide an aggregate value of the intellectual property portfolio without assigning values to the individual assets. However, as mentioned in the "Book Value" section above, these values may be overstated as a result of the events leading up to, and the commencement of, these chapter 11 cases.

Item 30 – Inventory. Inventories are valued at the lower of cost or market value. The cost of most inventory generally is determined using the first-in, first-out method.

Schedule D – Creditors Holding Secured Claims

Certain of the claims listed on Schedule D, *i.e.* the claims in connection with the GE Capital asset backed loan and the tranche C first lien debt, are listed net of prepetition accrued interest and commitment fees because such claims have been, or are scheduled to be, paid pursuant to orders previously entered by the Bankruptcy Court (adequate assurance payments).

Except as otherwise ordered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset for the benefit of a secured creditor listed on a Debtor's Schedule D. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including without limitation, any intercompany agreement) related to such creditor's claim.

In certain instances, a Debtor may be a co-obligor, co-mortgagor or guarantor with respect to scheduled claims of other Debtors. No claim set forth on the Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged.

The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

Schedule E – Creditors Holding Unsecured Priority Claims

Certain of the claims of state and local taxing authorities set forth in Schedule E, which the Debtors have designated as contingent, disputed and unliquidated, ultimately may be deemed to be secured claims pursuant to state or local laws.

Certain of the claims owing to various taxing authorities to which the Debtors may be liable may be subject to ongoing audits. The Debtors reserve their right to dispute or challenge whether claims owing to various taxing authorities are entitled to priority, and the listing of any claim on Schedule E does not constitute an admission that such claim is entitled to priority treatment pursuant to section 507 of the Bankruptcy Code.

Schedule G – Executory Contracts and Unexpired Leases

The businesses of the Debtors are complex and, while every effort has been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to (i) dispute the validity, status or enforceability of any contracts, agreements or leases set forth in Schedule G and (ii) amend or supplement such Schedule as necessary. Furthermore, the Debtors reserve all of their rights, claims and causes of action with respect to the contracts and agreements listed on these Schedules, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract of unexpired lease.

The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements that may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal

options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature have been scheduled to the best of the Debtors' knowledge. Because most of the Debtors' purchase orders are short term and have been or will soon be fully performed, Schedule G does not include purchase orders in existence as of the Petition Date. Additionally, the Debtors may be parties to various other agreements concerning real property, such as easements, rights of way, subordination, non-disturbance, supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps and other miscellaneous agreements. Such agreements, if any, are not set forth in Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings.

Statements

Questions 1 (Income from Employment or Operation of Business) and 2 (Income Other than from Employment or Operation of Business). As mentioned above, the Debtors do not maintain stand-alone financials for each legal entity except for tax return compliance purposes. For purposes of these Statements, the Debtors have reported book net operating revenues as calculated for corporate income tax return compliance purposes. The Statements in response to question 1 are inclusive of net operating revenues obtained from third-parties only (intercompany net operating revenues are reported in the Statements in response to question 2).

The Statements in response to question 2 are inclusive of revenues obtained from gain or loss from sales of company assets, intercompany net operating revenues and other intercompany charges. Because the Debtor entities do not include an "eliminations" company for tax return compliance purposes, the aggregate revenue amount included in the Statements in response to question 2 are stated at elevated levels.

All revenues are reported as of January 7, 2012.

Question 3b – Payments to Creditors. As indicated above, the Debtors do not maintain day-to-day, stand-alone financial records for each legal entity except for certain tax return compliance issues. Further, the Debtors process all of their disbursements through a consolidated, centralized processing facility without regard for the individual Debtor entity involved. Consequently, for purposes of these Schedules and Statements, the Debtors have attempted to allocate and assign the payments made to creditors in the 90 days preceding the Petition Date to the individual Debtor entities based on (i) the nature of the payment and (ii) the entity receiving the benefit of the payment. The responses to this question 3b reflect the creditor's payment activity by payment date as opposed to cleared date and by vendor/creditor code as it appears in the Debtors' payment register. As such, the information includes associated credit memo information. It does not reflect any subsequent stop payment or void information. Neither does it reflect any payroll/payroll tax related payments during the 90 days preceding the Petition Date. The analysis of the creditor payments related to the \$5,850 threshold was completed based on the consolidated creditor information prior to allocating and assigning the payments to the individual Debtors. Therefore, a response to question 3b may include creditors with aggregated payment amounts of less than \$5,850.

Question 7 – Gifts and Charitable Contributions. To the extent information regarding gifts and charitable contributions is available, the Debtors have included it in the Statements. In the ordinary course of business, the Debtors make certain immaterial gifts and/or charitable contributions (both cash and goods, including sponsorships) at their local plants which are neither recorded at the corporate level nor separately classified for tax purposes. The Debtors' Schedules and Statements do not include information regarding such amounts.

Question 17 – Environmental Information. The Debtors have conducted a thorough review of prepetition environmental matters. Accordingly, the Debtors have provided the environmental information to the best of their ability based on information compiled for fiscal year 2012.

Question 19 – Books, Records and Financial Statements.

Question 19b. KPMG, LLP has been, and continues to be, the Debtors' auditor and also provides income tax compliance and consulting work to the Debtors. Ernst & Young has, within two years before the Petition Date, provided income tax compliance and consulting work to the Debtors.

Question 19d: From time to time, the Debtors provided financial statements in the ordinary course of business to certain parties for business, statutory, credit, financing and other reasons. Recipients have included regulatory agencies, financial institutions, investment banks, customers, vendors, unions, debtholders and their legal and financial advisors. Additionally, financial statements have been provided to other parties as requested. Rather than provide an extensive list of financial statement recipients (a process that would prove onerous for the Debtors), the Debtors offer this Global Note.

Question 21b – For purposes of identifying equity holders with greater than 5% equity ownership, the Debtors did not consider any future dilution of the stock. Consequently, there may be individuals or entities that hold unexercised stock options or warrants that are not included in the Statements, including Statement 21b.

Question 23 – Distributions by a Corporation (Including to Insiders). The Debtors have reflected payments and distributions to insiders on the Statement of each Debtor, as applicable. The amounts presented on the Statements are reflective of the net payments received by each of the reported insiders.

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is the creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H – Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "HWJC."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim Without Deducting Value of Collateral" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion, if Any" on the Statistical Summary of Certain Liabilities and Related Data.

SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "HWJC."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.
